ORDER:

The CE (R&B) CRN & MD, APRDC, Hyd., in his letter read above, has stated that the Elkathurthy-Siddipet road is an important Corenet MDR in Karimnagar District and connects the districts of Medak, Karimnagar and Warangal and many villages to the district headquarters. Vehicular traffic is increasing day by day and vehicles carrying agricultural produce to the market yards ply on this road regularly, due to which the present carriageway width of 7.00 m is not sufficient, particularly in Baswapur village limits, causing inconvenience to the traffic. The traffic intensity on this road is 15492 PCUs per day and the last renewal was done in the year 2006-07. The subject work does not required stage-I approval.
